Safe as houses?

As soon as children are mobile, they seem drawn to hazards in the home such as electrical outlets, kitchen drawers and stairs. There's a simple and reliable way to make sure your home is child proofed. **C2**

HOME PAGES FOR THE HOME

Controls in Ontario. Everything tenants need to know about controls, plus links to a variety of other websites for people who rent their homes. www.ontariotenants.ca/rent-controls.phtml

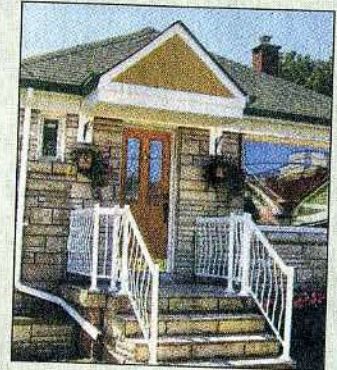

TARA WALTON/TORONTO STAR

Jean Barwell and her husband spent about \$1,100 to install safety devices such as cupboard and drawer locks, a banister guard and a stair gate — all designed to protect 10-month-old Matthew from the kinds of hazards that lurk in every home.

★ INSIDE

What they got:
WEST TORONTO:
\$300,000

This recently renovated two-plus-one bungalow sold for \$300,000 — \$50,000 more than the asking price. More home sales, prices, and details. C14
